Dear Mr Mardon

RABY BAY FORESHORE PARK

With reference to Raby Bay Foreshore Park and your request for information regarding the upgrade of the park please note Council has been working towards securing funding through the Federal Government's Regional and Local Community Infrastructure Program (RLCIP) within the second round of grant applications. Raby Bay Foreshore Park was part of this submission and we have applied for \$263,000 for pedestrian and bicycle pathways and associated landscaping based on the approved 2008 master plan. We are hoping to have notification in early March 2010 and I will inform the Ratepayers Association as soon as we hear.

Furthermore, we have \$80,000 for 2010/2011 for the new playground upgrade works which will be constructed by the end of June 2011.

Regards
